CorporateCASA Sponsorship Program

CASA is dependent upon donations from individuals, businesses and community organizations to sustain its mission. We are asking local organizations to consider working in partnership with us in our new CorporateCASA Sponsorship Program. A one-year sponsorship of \$2,500 would help us to recruit, train and supervise 10 volunteers to serve as advocates for abused and neglected children in our community. Our goal is to provide a CASA advocate for every child who comes before the Juvenile Court.

The \$2,500 CorporateCASA Sponsorship includes having your company name/logo highlighted in our four fundraising program books, signage, marketing materials, and website. It also includes two complimentary tickets to all of our 2009 fundraisers. Hundreds of attendees, volunteers, community members, business owners and elected officials will learn about your organization through your sponsorship.

Won't you consider joining us in this endeavor? Just complete and return this form with your tax-deductible check made payable to CASA of Will County or your credit card information. Thank you for supporting Will County's children! Questions? Call 815-730-7118.

Yes! Our organization will support CASA of Will County's efforts to continue its mission.
